After spending a year at the University of Pennsylvania, I now know what a remarkable and special place it is. I feel privileged to be able to represent the school I love as a student athlete and attend the Wharton School of Business. All of this comes at a very expensive price tag. This scholarship helps ease the burden on myself and my parents. Thank you to the VAW/VRC community and I hope to continue to represent it in a positive manner. I will spend my sophomore year building on all the experiences gained in my freshmen year. Thanks again for helping this happen.
