It is truly an honor to receive a Wings Over America Scholarship. Many of the values and attitudes that I hold today are a result of my father's experiences in the Navy. It is humbling to see the accumulation of these values be recognized. Through hard work and determination, I believe I can impact and change the world. Winning this scholarship will without a doubt make the path to that goal much clearer. While I still have a long way to go on my journey, being honored with this scholarship is not something I take lightly. Thank you for this award.
