- National Honor Society, Leadership Workshop staff
- Girls Scout, volunteer for Equi-kids Therapeutic Riding Program, Winter Watch Feeding the Homeless project, Trick or Treats So Kids Can Eat programs
- AP Student with honors

Statement: I really appreciate receiving a 2012 scholarship award. The thought of someone investing in my future only makes me want to achieve success that much more. With my brother preparing to leave for cruise again the Wings Over America scholarship means even more. It's nice to know that my hard work has paid off. I find the foundation's dedication to providing scholarship very admirable and hope that someday I can help others as I am being helped.
