I am incredibly excited to be a recipient of a 2016 Wings Over America scholarship! This scholarship will enable me to pursue the sort of activities I feel really passionate about over the summer rather than having to constantly worry about making money to pay for college. This summer, I am going to be working as an intern at a local wealth management firm, and I'll be able to take some time off to volunteer in the emergency room as I've done for the past three years. Additionally, being a recipient of this scholarship will do a lot to lessen the financial burden of loans that I would have to pay off once I graduate. I am so incredibly thankful to the Wings Over America scholarship foundation and to the members of the Naval Aviation community which the organization honors.
