University of Louisville

High School GPA: 3.37

Activities:

- Success team
- National Honor Society and National Arts Honor Society
- Writer school Newspaper
- Volunteer with Arundel House of Hope
- Special Olympics
- Cavalier Rescue, USA

Statement: Being a recipient of a 2012 Wings Over America award is a great honor. My dad and I were told about your program by a squadron mate of my dad's from his first P-3 tour. He had an older daughter who received a scholarship from you a couple of years ago and he was so proud that he was able to share his Naval Aviation "ties" with his daughter through your program. I kind of feel the same way. I am proud that my dad is a Navy Pilot and that we got to talk about some of his experiences throughout this process. This award will help me out financially and gives me motivation to continue to look elsewhere for other sources to help me through my college experience. Thank you so much.
