Statement: I am writing to thank you for the USS Theodore Roosevelt Scholarship. When I opened the letter I could feel my heart beat all the way up to my ears with the amount adrenaline that was racing throughout my body. After being rejected by many other scholarships, I was ecstatic and greatly appreciative to discover that I was selected as the recipient of this scholarship. I am thankfully prepared to use this scholarship to continue my education throughout the college of my choosing. I plan to begin my education at Virginia Commonwealth University over the summer to major in Biology with an emphasis on pre-health sciences in hopes of pursuing my dreams of going to medical school and becoming a pediatrician. Furthermore, thanks to you and this scholarship I am one step closer to that goal. By awarding me the USS Theodore Roosevelt Scholarship, you have lightened my financial burden and have allowed me to focus on the most important aspect of school, education. Your generosity has encouraged me to continue my deeds of community service and aid to others. I hope that one day I will be able to do the same for others as you have done for me.
