Megan Wander

Lakeland, TN

Arlington High School

High School GPA: 4.48

Clemson University

Major: Physics

Activities:

- Varsity Tennis Team, Captain
- Varsity Swim Team
- Varsity Golf Team
- National Honor Society
- Science Olympiad
- Volunteer: Memphis Youth Court, Religious Education Assistant Teacher, HS Math Tutor
- Year-Round Babysitter

It is such an honor to receive both these scholarships. I'll be attending Clemson University in the fall, and this money can pay for a summer honors program that I am applying for. I will be given the opportunity to do graduate-level research, as well as meet other Honors students. Hopefully this will get me on the right track to be competitive for medical school!
