I am so grateful to Wings over America for this scholarship. Thanks to this scholarship I have been able to do things that I only dreamed about. This past year I was able to study abroad in The Hague, The Netherlands and learn more about my field of International Relations through my internship at the Iberoamerican Institute of The Hague. As I return to Madrid to finish my degree, I hope to continue my role in UnicefCampus89 and the Nebrija MUN Society. This amazing experience that I am having would not be possible without WOASF.
