Statement: It is difficult for me to express the gratitude I have for receiving this wonderful blessing. The Wings Over America Scholarship Foundation has provided me with the opportunity to grow in educational success and maturity and in turn has granted me the tools necessary to pass this knowledge on to subsequent generations. Through hard work and dedication I am now entering the final year of my bachelors program for elementary education. My final note to any prospective applicant is to be persistent, have faith and believe in yourself, you too can make a difference. Thank you Wings Over America!
