- Summer positions at Glasson Sports Medicine

Receiving a Wings Over America scholarship is very important to me. With the rising cost of school, I am so grateful to the scholarship donors for helping me fund my education. It is an honor to receive this scholarship, and I am proud to represent a foundation that is so supportive of the military and its families. The Wings Over America Scholarship Foundation has supported me ever since I graduated from high school, and I am so thankful for that. I hope one day to be able to repay the favor by serving in our nation's Navy.
