

STEPHEN MARSHALL

2017, 2018 & 2019 RECIPIENT

Receiving the Wings Over America scholarships these past few years has had an amazing impact on my life. Since I received the scholarship, I was able to go to Lancaster Bible College without building up a lot of debt because of student loans. This will allow me to start off my career as a Youth Pastor without having to pay off large amounts of debt and focus on my desire to serve in the ministry. I am truly grateful for the blessing that WOASF has been in my life. Thank you for everything you have done in my life and the life of other students. It has truly made a difference. God bless you!
