Academic & Extracurricular Highlights:

- Travel Volleyball: Captain
- High School Volleyball: 12th Grade Leadership Role
- Dig Pink Fundraiser
- OBX Wave Youth Clinics: Volunteer Coach
- Edge Volleyball Club: Beginner Coach

It is a great honor to receive a scholarship from the Wings Over America Scholarship Foundation. This award allows me to pursue an undergraduate degree in a double major of psychology and political science with a minor in Russian at St. Olaf College where I will also further my athletic career as a member of the collegiate volleyball team. Following college, I hope to work in the intelligence field, either in the military or as a part of the CIA. Furthermore, my father has proudly served his country as a Senior Chief Naval Aircrewmen Search and Rescue Swimmer for over twenty-six years. With his retirement coming up this summer, I am more than grateful to be able to take the financial burden off him and my mother by lowering my college educational costs through this scholarship. Alleviating some of the financial burdens will also allow me to focus even more intently on my academic studies and athletic pursuits. In closing, I would like to thank the organization and its donors for giving me this opportunity. I would also like to thank all members of the US Navy Aviation community for their service; your sacrifice for the United States of America is unrepayable. Fly Navy!
