The Wings Over America and Maritime Patrol Association scholarships recognize my academics, extra curriculars and my father's hard work as a Naval Aviator. This scholarship will help me pay for the incredible opportunity to attend the University of Idaho in the fall. I am honored to be awarded these scholarships and I am extremely thankful for all the hard work these aviators do for the protection of our country. Being a military child has its ups and downs, but I would not change a single experience I've had in my life. The challenges only made me stronger. Not many people can relate to this type of lifestyle, so I feel exceptionally special. Thank you WOASF and MPA for your charitableness and support to Navy families.
