- ❖ Summer Employment: Cypress Point Country Club Lifeguard.

I am humbled and honored to receive the 2019 Wings Over America Scholarship. I have worked extremely hard to reach my goal of attending the University of Virginia, and I am so grateful that I will be supported financially going into my first year. This scholarship not only represents help with tuition, but also my family's service to the United States Navy. I am so proud to call myself a military daughter, and I know I will represent with pride. My father's service, many deployments and my mother's hard work at home means so much to me as I know their sacrifice were hard. Receiving this scholarship helps me to thank them for all they have done for me. I am reminded of how thankful I am for the U.S. military and all that they do for our country and its citizens. Thank you Wings Over America Scholarship Foundation for this honor. I will be forever grateful for all this does for my family and me.
