“As a Naval Aviator I understand the challenges these families face in support of their military member. Mission

WOASF provides college scholarships to dependents of the Navy Aviation community.

History

In 1987 the Airlant Wives Club realized our dependents faced different challenges from their civilian peers. Frequent moves and deployments can provide obstacles in academics and extra-curricular activities. We provide scholarship opportunities for dependents who share similar educational experiences.

Scholarships

Wings Over America annually sponsors over fifty scholarships. Most awards are annual and several are four year renewable scholarships.

Scholars are selected on the basis of:

- academic merit
- extra-curricular activities/community service/work
- character

(Financial need and other extraordinary circumstances may be considered.)

Funding a Scholarship

Each donation of \$3,500 - \$5,000 will be recognized as a one year Honorary or Memorial scholarship, named as the donor desires. Larger donations can be made for multi-year awards named as the donor desires. Please contact our office to discuss scholarship funding options.
