Receiving this 2018 scholarship means that I can fully commit myself to my education and future career goals while being supported by the Wings Over America in my endeavors. With this scholarship I hope to pursue my education and advance towards a career in healthcare to give back to my community, similar to the way that Wings Over America has so graciously given to me. This award is a vote of confidence which brings me one step closer to achieving my academic goals. This scholarship allows me to uphold my commitment to education and allow me to fully immerse myself in the college atmosphere as I embark on this pivotal time in my life. As a track and field , rewards and recognition normally come in the form of medals and trophies. But this award from Wings Over America is a reward for opportunity and growth, as they are giving recognition to the hard work I put into my academic career and are assisting me on my path towards even more. The resources being invested into my goals is something that I am extremely grateful for and will push me continue this journey towards success.
