Virginia Beach, VA

Saint Leo University

Year: Junior

Major: Accounting

Community Service/Employment:

- Classroom Volunteer, Creek Elementary School
- Former San Diego County Credit Union Financial Services Representative
- Two children: Ages 4 and 7

This 2018 Wings Over America scholarship means so much to me because, my husband has worked hard to take care of our family by staying in the Navy, which has allowed me to stay home with our children. This scholarship will help me in my pursuit obtain my bachelor's degree in accounting while I am staying at home to support my husband's career. Then, when he retires, I can go to work and help support our family. He will then be able to spend quality time with the kids, which he has missed over the years because of his military service. This scholarship will also help me follow my dream of becoming a Forensic Accountant. I am so thankful for this scholarship and I am honored because it comes from people who appreciate my husband's and our family's service to this country.
