- ❖ Volunteer: Children’s Bible Ministry, Youth Life Christian Ministry
- ❖ Summer Employment: Douglas Aquatics & Riverfront Swim Club Lifeguard
- ❖ Year-Round Employment: Texas Roadhouse Wait Staff

I am excited about this new phase in my life, and I plan on getting a degree in nursing while at USC to fulfill my dream of going into a health profession. I feel called to serve my country, so after I graduate, I plan on becoming a military nurse. I am looking forward to being a part of a program that is about something greater than myself. I am excited to learn more about how to handle nursing in a military environment, and I know that USC’s nursing program will be the ideal place to teach me that and more.

I was thrilled to be named a recipient of your scholarship because it is helping me to achieve my goal-thank you again!
