This scholarship is a huge blessing in my life. I am extremely grateful that God has provided for me through WOASF. I am studying Youth and Young Adult Ministries at Lancaster Bible College. Thanks to this scholarship, I have been able to focus more on my academic studies, as well as, my future ministry. I have also been able to gain ministry experiences in low-paying or unpaid, worthwhile internship opportunities instead of working a summer job outside of my field in order to raise funds for school. Next summer, I have the wonderful opportunity to take a school sponsored trip to Israel where I will be able to lean about the Bible where the events literally occurred, and because of this scholarship, I will be able to direct my current saving towards this endeavor. Furthermore, when I enter into my role as Youth Pastor, I will not have to try and get multiple jobs to pay off school debt, but rather, I will be able to be more focused and intentional in my future ministry-reaching the youth for Christ and helping to guide them through life. Thank you for being willing to support me as I go through college. The WOASF scholarship is truly a blessing and I am honored to have received it this year.
