2020-2021: Sophomore

Major: Management / Human Resources
Management

Extracurricular & Community-Service Highlights:

Kappa Delta Sorority, Phi Eta Sigma Collegiate Honor Society, Volunteer with Prevent Child Abuse Georgia, and Second Harvest Food Bank.

I cannot thank the Maritime Patrol Association enough! I was born and raised in the Naval Aviation community, and in many ways, it is the only life I knew growing up. Winning this scholarship is such an honor, especially from an organization that is made up of people I have been surrounded by my whole life. They understand the sacrifices families make for the Navy and Naval Aviation, and their members have generously given their time and money to help college students like me. Being a part of it was a struggle sometimes, but moments like these make it so worth it. It is humbling to have been selected, and the award will ease the burden of tuition, and let me focus on academics. I know my parents are proud of my hard work and accomplishments and this scholarship is an ideal way to show them my appreciation. Thank you for your support.
