2022-2023: Junior

Major: Economics

Academic & Extracurricular Highlights:

- Navy-Marine Corps Relief Society Volunteer
- Jax Navy Flying Club
- UCF Intramural Basketball
- National Honor Society
- Door Dash Driver

I would like to thank the Maritime Patrol Association for their generosity and support toward my undergraduate college education. As a repeat recipient the difference you have made in my life has been extremely impactful, and I plan to use what I learn as an Economics major at the University of Central Florida to pay it forward and make a difference in others' lives. I have been lucky enough to grow up in a military family, and the unwavering support of the Naval Aviation community has motivated me to continue the pursuit of academic excellence. This support has been meaningful, and extremely useful through my college journey that has included unforeseen circumstances and educational adjustments. The scholarship and its ideals are something I hold dear as it is a direct reflection of my family and their service to our country. This scholarship has given me the freedom to spend more time on my studies and my future. It has been an honor to receive this scholarship and I am proud and humbled your organizations continue to invest in my future as well as the future of many of our nation's next generation of leaders.
