

Northrop Grumman Scholar

Michael Corney

Warrington, PA

LaSalle University Office

2021-2022: Freshman

Major: Computer Science

I wish to express my sincerest thanks for being selected as a recipient of the Wings Over America Scholarship. I am grateful to have been chosen for this award knowing that there were many qualified applicants. It is a tremendous honor to be recognized by your organization. Your acknowledgement of my achievements in bestowing this tribute is greatly appreciated.

By awarding me this scholarship you have lightened my financial burden which allows me to focus more on the most important aspect of school: learning. I rely on my work income, financial aid, grants, and student loans to help finance my education. Receiving this scholarship will help to lighten the load and defray the exorbitant debt that I know I will incur as I continue pursuing my educational goals.
