I am extremely honored and proud to be one of the recipients of the Wings Over America scholarship. I would like to thank the WOASF donors for their incredible generosity for which I am incredibly grateful. I am so thankful to be able to continue my academic career with the support of WOASF; this scholarship gives me the freedom to focus on my academics and extracurriculars without the extra financial burden. Furthermore, this scholarship also serves as recognition for my father's time as a naval aviator and allows me the opportunity to thank him for all he has done for our country and my family. It is a great honor to have been recognized by WOASF, and this title is one that I do not take lightly. I am very grateful for this opportunity and am excited to continue working towards my goals.
