Receiving the 2017 Wings over America Scholarship has been a tremendous honor that will enable me to continue my studies in the field of criminal justice. There will be no interruption in my academic schedule due to financial constraints. As a result, I can focus on the course curriculum that will enable me to complete my studies in a timely fashion. Not only will I be able to attain my dream of a career in law enforcement but more importantly will be a testament to my daughter that perseverance and dedication to a goal pays off. Thank you for the opportunity to receive this generous grant. I will not let you down!
