- ❖ Volunteer: Oakland Children's Hospital Internship
- ❖ Year-Round Employment: UC Berkeley Sports Medicine Internship & Christ Church Childcare worker

I am so excited to be receiving this scholarship as I enter my final year of college. Throughout my time at UC Berkeley, this scholarship has allowed me to pursue my passions and worry less about my academic costs. I am grateful for this scholarship and its generous donors for easing the stress of being a college student. This past year I have enjoyed discovering my career path and will be attending Physician Assistant school in the future.
