

## Theodore Roosevelt Association Scholar

Grace Johnston

Corpus Christi, TX

Saint Mary's College

2021-2022: Freshman

Majors: Biology and Studio Art

It is such an honor to be selected as a recipient of the 2021 Wings Over America Scholarship. This scholarship will help me continue to be able to pursue my passions, by allowing me to further my education. I have a lot of schooling ahead of me to achieve my career goals in the medical field and scientific research. I plan on getting my bachelor's degree in biology and then attending medical school in hopes of becoming a medical examiner. With that I hope to help families receive peace and closure in the knowledge of their loved ones' death. The monetary relief that the Wings Over America Scholarship will provide is extraordinarily appreciated. I am eternally grateful to all the donors and the members of the Wings Over America Foundation. I hope that this scholarship will allow me to focus more on my studies and allow me to continue to explore more fields I enjoy during college.
