

# Tailhook Scholar

Charles Thoroman

Coronado, CA

Whittier College

2021-2022: Junior

Major: History

This scholarship is important to me because it allows me to remain at my current institution. The ability to remain at my school with the professors who inspire me, teammates who challenge me, and peers who encourage me to be better than I am. This allows me to complete my degree with a community that has been stimulating me intellectually and socially since I joined it and continues to provide me with the resources I need to prepare for my future. Continuing to work within this community is a welcome surprise. In addition to allowing me to continue my academic career at this institution, this scholarship provides me with the opportunity to continue competing in the NCAA alongside the teammates who have been by my side since the beginning, people who have become lifelong friends. In summary being awarded this scholarship provides me the ability to live my college experience to the fullest, alongside some truly amazing professors and teammates and continue to forge my own path into the future.
