

## Maritime Patrol Association Scholar

Tess Tibbits

Ponte Vedra, FL

College: University of North Florida

2020-2021: Junior

Major: Advertising/Marketing

Extracurricular & Community-Service Highlights:

Wounded Warrior Projects, Athletic Leadership Council, volunteer at Beaches Basketball Academy and Referee at Special Olympics and year-round Assistant Basketball Coach at Ponte Vedra High School.

I am sincerely honored to receive this recognition from the Maritime Patrol Association and Wings Over America. It is truly an honor to be recognized by organizations that represent and give back to the military community. This scholarship confirms my belief that hard work pays off. I am excited as this scholarship will help me finish up my bachelor's degree and pursue my masters soon. As a military kid who is beyond proud of my father's 28 years of service, I am thankful for the recognition this gives to Naval Aviators who served our country. Thank you again to the donors and volunteers of these organizations and the entire naval aviation community!
