Extracurricular & Community-Service Highlights:

I am honored to be a recipient of the Wings Over America Scholarship. I would like to express my utmost gratitude for this scholarship offer which will undoubtedly lighten the financial burden I will encounter as I pursue a higher education. Thinking about how to pay for college is one of the most stressful parts of school. Receiving this scholarship will allow me to focus more on getting the most out of my college education and less on a part-time job. It will also enable me to participate in campus life as opposed to trying to figure out how to pay for school. This scholarship is more than a sum of money, it is an opportunity. I am very thankful to the donors and those involved in my selection. I appreciate your support in my education and know that I will always continue to work hard at the University of Central Oklahoma to better myself through education. I am so grateful to be a Wings Over America Scholarship recipient!
