

Wings Over America Scholar

Abigail Powers

Papillion, NE

Creighton University

2021-2022: Freshman

Major: Nursing

I am honored and humbled to receive a Wings Over America Scholarship. This scholarship will remove a portion of the financial barrier of attending Creighton University for my degree in Nursing. Attending college with this scholarship will also be a constant reminder of my parents' choice to serve in the military and why I have chosen to pursue a degree that will allow me to serve in my community. I will be carrying on the legacy of my parents' military service in my professional career.

I would like to thank all of you on the selection committee for being awarded this remarkable scholarship in recognition of my parents' sacrifices and service to our country. I would like to express my gratitude to the donors for their generosity and support to make these scholarships available.
