Park City, UT

University of Utah

2021-2022: Freshman

Majors: Russian and French

I would like to start by expressing my gratitude to the Theodore Roosevelt Association and its donors. I am honored to have received a scholarship! The scholarship will help me to pay the tuition at the University of Utah, where I will be pursuing a double major in Russian and French. After studying abroad in Moscow, Russia, I have become passionate about language learning and international diplomacy. I hope to work towards a career with the United States Department as a Foreign Service Officer. My dream is to work for human rights and international cooperation, as well as to have the opportunity to use foreign languages daily. I am fascinated by Eastern Europe and Central Asia and hope to work in these regions. Again, I would like to express my sincere gratitude towards the Wings Over America Scholarship Foundation, the various organizations it partners with, and the Naval aviation community for this honor.
