Winning this scholarship means so much to me. I will now be able to attend my first choice college and pursue an unpaid internship without worrying about paying for school. This scholarship will give me the freedom to explore my interests and take full advantage of my education. I am especially grateful to be supported by the Naval Aviation community. I have always been proud to be a member of a military family, so this is a huge honor for me. I hope to use this scholarship in preparation for public service, and further give back to the country which has given so much to me.
