Deidre L. Myers was born and raised in Garden City, Kansas. She grew up on a farm in western Kansas enjoying all the normal activities that come with living on a family farm. Deidre earned a Bachelor of Science in Secondary Education with an emphasis in U.S. and World History from the University of Kansas and a Master's of Science in Secondary Education with an emphasis in Psychology and Sociology from Texas A&M Kingsville.

A Navy Spouse for 34 years, Deidre has joined her husband Ross in living all over the world from Pensacola, Florida, to Kingsville, Texas, to Lemoore and San Diego, California, to Atsugi, Japan, to Naples, Italy, to Washington, DC, and now in Fort Meade, Maryland.

Deidre has taught in various schools in Kansas, Florida, Texas, and California, as well as being an English Teacher for Toyota Racing Development in Tokyo, Japan. Deidre shifted from teaching to volunteering in numerous and varied positions with Navy Marine Corps Relief, and with Wings Over America, San Diego. However, the crowning joy in her career work is more than 13 years and counting as a Navy Arlington Lady. This is her way of giving back to the men and women who served our country in uniform, especially those who made the ultimate sacrifice for our great nation and Navy.

Deidre enjoys reading, reading, and more reading, especially with her four-legged children, 15-year-old cats, Merry and Pippin, sitting on her lap.
