

*The Wingman Foundation*  
LT Matthew "11" Lowe Memorial  
Scholar

Brice Howe  
Virginia Beach, VA

Sponsor: CDR James Howe Jr.

College: University of Virginia

2023-2024: Junior

Major: Biology with minor Data Science

Academic & Extracurricular Highlights:

- UVA Pickleball Club
- Madison House Medical Services
- Habitat for Humanity
- Varsity Soccer Team: Captain
- Winter Work: Rhoback, Fulfillment Team Member
- Summer Work: Haig Point Equestrian Center
- Intern: Tour Daufuskie

I am honored and grateful to be receiving a scholarship from the Wings Over America Foundation and happy to be recognized for my hard work and dedication to both academics and serving the community. This scholarship will help ease the financial burden of college and will be put towards my education at the University of Virginia, where I am currently pursuing a major in Biology with a minor in Data Science. I have always taken a special interest in biology, wanting to become a doctor from a young age. However, my first two years at UVA have introduced me to the field of data science, and I hope to be able to combine these two passions towards a possible career in computational biology. This opportunity would not be possible without the backing of the military community and programs such as Wings Over America. Your generous grant will allow me to focus on my academics and spend more time engaging with what UVA has to offer without the stress of the cost of college. I appreciate the Wings Over America Scholarship Foundation and their donors for their support as I continue my education and strive for future success.
