I truly cannot express enough how grateful I am for this extremely generous scholarship. I would like to personally thank the Wings Over America Scholarship Foundation for choosing me to receive this scholarship, and I would like to give my thanks to the donors who made this scholarship possible. Courtesy of your unparalleled generosity, I am now forty-eight-hundred steps closer to receiving a college education debt free. Thank you for helping me pave my own way to educational success without financial burden. It has long been a goal of mine to study architecture and become an architect. I enjoy designing buildings and hope to design buildings that will benefit and enhance my community. Thanks to the Wings Over America Scholarship Foundation I can pursue this goal, and hope in the future to give back to the community.
