I am so grateful to receive the VAW/VRC Merit Scholarship award and be able to continue my studies at Boston College. I cannot express how thankful and humbled I am to receive this scholarship. I would like to thank the donors of VAW/VRC for supporting my college students and assisting me with this financial support.

It has been difficult trying to find ways to further my education, especially at such a prestigious university, and I would simply not be able to do this without the help of this scholarship. I have tried to use these college years to expand my horizons and push my limits. Having the support of foundations like this encourages me more to test these boundaries. Your trust inspires me and emboldens me to work even harder to pursue my education and reach for my dreams. I will make sure that your investment in me will be repaid over many times. Thank you.
