I would like to thank the Wings Over America Scholarship committee for choosing me as a recipient for one of your scholarships for the 2019 - 2020 school year. Paying for college is a topic that is always in the back of my mind and this scholarship will help alleviate some of that stress for me and my family.

I am proud to be the daughter of a Naval Officer and proud to have grown up living abroad as well as in the US, but always a part of a Navy community. I am looking forward to carrying on the tradition of serving my country and this scholarship reflects your confidence in my abilities. It is because of the strong values of people associated with the Navy that opportunities like the Wings Over America Scholarship exist, and I am thankful to be able to say that I am a part of that group.

Thank you again for this tremendous award.
