I am extremely grateful to receive scholarships through the Wings Over America Scholarship Foundation for the third year in a row. I am so thankful that I get the chance to pursue an undergraduate degree due to the support from WOASF. As the recipient of the USS Gerald R Ford scholarship, a USS Theodore Roosevelt Association scholarship, and a Wings Over America named scholarship, I take this title with great pride and want to express my utmost gratitude. These scholarships will allow me to continue my contributions to both the Communication Sciences and Disorders department and the Honors College at James Madison University. In this hectic and unknown time, I am especially appreciative for the support from the Wings Over America Scholarship Foundation in motivating me to continue my academic success, even in the difficult transition to online classes. Go Dukes, and Fly Navy!
