The USS Theodore Roosevelt FCPOA scholarship is truly a blessing, and I am excited to use it for school this upcoming year. God has guided me to John 21: 1-14. In the passage, Peter and the disciples go fishing but they catch nothing that night. Early in the morning, Jesus appears on the shore and asks, “Friends, haven’t you any fish?”, the disciples did not recognize Jesus, and they responded, “No,” then Jesus said, “Throw you net on the right side of the boat, and you will find some.” When they did, they were unable to haul the new in because of the large number of fish. Then the disciple who Jesus loved said to Peter, “it is the Lord!” As soon as Peter heard him say, “It is the Lord,” they he and the disciples headed to the shore. When they landed, the saw a fire of burning coals with fish on it, and some bread.

It can be understood that although I do not have money to pay for college, just like the disciples did not have any fish – God will provide. God gave me instructions to the disciples to throw our their nets, catch the fish and bring them to Him, just like I have the responsibility of applying for scholarship, trusting God will provide the finances for college, and then bringing those finances to Him so He can give instructions on how to spend these provisions in college.
