conjunction with Purdue
University

Year: Freshman

Major: Aviation

Activities:

- Flight Simulator Project
- Volunteer: Mars Hill Baptist Youth Group
- Year-Round Employment: Chick-Fil-A Team Member, Crew Car Wash Team Member

I am so thankful to Wings Over America for selecting me to receive this scholarship. It is an honor and I will strive to make those who so generously donated proud. This scholarship gives me the freedom to focus more on academics as it will ease the financial burden of college. I will be better able to pursue my dream of becoming a pilot as I can now take flight lessons at Purdue University this summer rather than focusing solely on employment. Your support is particularly meaningful to me as my own father was a naval aviator. Seeing firsthand the hard work and dedication it takes to proudly call oneself a naval aviator inspires me to work hard to reach my goals. Equally encouraging is the ongoing support the aviation community shows to one another in many ways including this scholarship. I hope to one day take advantage of the opportunity to support my fellow service men and women as you are now.
