I am deeply honored and humbled to be awarded a scholarship from the Wings Over America Scholarship Foundation. During this difficult time for our country, I especially want to thank the WOASF donors, whose generosity has made this scholarship possible for me. Through this WOASF assistance the financial burden for my family is reduced and I can singularly focus on my academic and extra-curricular pursuits at the University of Notre Dame. This scholarship also recognizes my father's 22 years of military service as a naval aviator, and the award helps me to thank him for all he has done for me and our country. It is an honor to be recognized by WOASF, as I know the pool of applicants is highly talented and deserving, and for that I am very grateful. When I graduate from ND my goal is to work in investment banking and I look forward to then giving back to WOASF, which has been so generous to me, to help other college students realize their dreams.
