I am very excited to tell you that your scholarship is going to help me complete my rigorous junior year nursing clinicals and it provides me the opportunity to go on a mission trip to Nairobi, Kenya! There are several areas of nursing that I am interested in but can certainly see myself in pediatric nursing because of how well I get along with children of all ages. I will have the opportunity to spend ten days of spring break in Kenya caring for children from under-served areas. A pediatric faculty will accompany us as we fulfill all our hours in Kenya.

I was thrilled to be named the recipient of a scholarship and have always wanted to travel and study abroad. Your scholarship is helping me achieve my goal. Thank you again!
