Major: Political Science, Russian Area Studies/International Relations

Academic & Extracurricular Highlights:

- St. Olaf Volleyball Team
- Shockwaves Adaptive Water Skiing
- High School & Travel Volleyball
- Wounded Warrior Project Volunteer
- Volleyball Coach with Edge Volleyball Club

It is a great honor to receive a scholarship from the Wings Over America Scholarship Foundation. This award allows me to pursue an undergraduate degree in a triple major of Political Science, Russian Area Studies, and Asian Studies with a minor in International Relations at St. Olaf College where I will also further my athletic career as a member of the collegiate volleyball team. Following college, I hope to work in the intelligence field, either in the military or as a part of the CIA. Furthermore, my father proudly served his country as a Senior Chief Naval Aircrewmen Search and Rescue Swimmer for over twenty-six years. With a recent retirement in June of 2022, I am more than grateful to be able to take the financial burden from him and my mother by lowering my college educational costs through this scholarship. Alleviating some of the financial burdens will also allow me to focus even more intently on my academic studies and athletic pursuits. In closing, I would like to thank the organization and its donors for giving me this opportunity. I would also like to thank all members of the US Navy Aviation community for their service; your sacrifice for the United States of America is priceless. Fly Navy!
