

Kathryn “Katie” Hunt

Four-Year Renewable Scholarship Recipient

2018 Bachelor’s Degree in
History

University of California, Santa Barbara

“I am incredibly grateful to receive the 2016 scholarship. To me, this scholarship is a reminder of all those who have served in the Armed Forces and all that they do for us. I am thankful for the financial benefits this scholarship has awarded me and for allowing me to have pride in both my family and myself. As I move forward to my third year of college, I continue to appreciate Wings Over America and the opportunities that have been awarded to me.” (2016)

Katie graduated from UC Santa Barbara in 2018 with a degree in history, receiving honors. She is now back in her hometown of San Diego, pursuing a career in commercial aviation. She is a student at Coast Flight Training, a school located in San Diego's Montgomery Field. In addition to flight school, Katie works part time at PAWS of Coronado, a local animal welfare organization. She is an administrative assistant, organizing volunteer efforts, assisting with dog and cat adoptions, and managing PAWS's relationship with the public. Pursuing a career in aviation, as well as working for a nonprofit, were two of Katie's big goals before graduating college. She is thankful to be carrying out both dreams. (2019)
