

*“Both Jessica and Danielle attribute some of their success in their studies in not having to worry about the financial stressors that most college bound students face. WOASF scholarships helped both Jessica and Danielle in their success in college and has helped pave the way for both of them to succeed in their careers.”*

*Dan Morio, WOASF Recipient Parent*

A family update on two past recipients:

Jessica attended Florida State University for her undergraduate degree completing her BA in English with a concentration in editing, writing and media and a minor in history before going on to her Masters in Library and Information Sciences also at Florida State University. She earned straight A's in her masters and has worked as a youth services librarian in Florida.

Danielle, attended Florida State University as an undergraduate too, successfully completing and earning her B.S degree in Family & Child Sciences before going on to Virginia Commonwealth University's where she successfully completed her Occupational Therapy Doctorate is now a practicing occupational therapist in Richmond.
