I am incredibly grateful to have received a Wings Over America Scholarship. This award will provide me with less financial burden as I attend Penn State University. I am honored to have the support of Wings Over America behind me as I pursue a higher education. I hope to be able to take advantage of this support by experiencing as many academic opportunities as possible while attending my dream university. I intend to make the most of this generous reward with internships, volunteer work, and research groups as I study hard and work toward a bright future. Once again thank you to Wings Over America for such generosity towards my future.
