I would like to express my sincere gratitude to the Wings Over America Scholarship Foundation. I am beyond blessed to have been the recipient of the Wendell & Doris Rogers Renewable Scholarship. I have completed my first year at Texas A&M University-Corpus Christi. I will be classified as a Junior in the Fall. I am majoring in Kinesiology. Currently, I am in the Physical Education EC-12 program. While working on this degree, I am also taking my prerequisites for the master's program in Athletic Training. My goal is to work in a rural school one day as an Athletic Trainer and teacher.

I hope I am making WOASF proud. I have worked hard to keep up my grades and have earned a spot on the Dean's List and the National Society of Collegiate Scholars TAMU-CC Chapter. My goal is to continue to be the best student I can be and positively impact as many people as I can. It has been a phenomenal first year of college, and my Wings Over America Scholarship gave me the confidence to reach for the stars. Thank you so much for believing in me and giving me these opportunities to grow.
