I want to express my thanks to your organization for awarding me this scholarship. Receiving this prestigious scholarship has relieved me, and my family, of a substantial portion of the financial burden connected with a college education. I am eager to push myself and continue to expound on the possibility's college can offer my future. Further, I believe this scholarship will allow me to continue the freedom to focus my energy towards academic and extra-curricular activities during my time at Liberty rather than focused on a job to pay for tuition. This has been an incredible honor to receive these awards and I would like to deeply thank the donors who made my dreams possible. To God be the glory! Walk Worthy.
