Receiving the Maritime Patrol Association scholarship is a great honor to both me and my family. It reminds me of the sacrifices we went through and how the importance of my family could never be replaced. My father has been an inspiration to me my whole life and a constant reminder of encouragement as well as support. I'm very thankful for the opportunity to have this scholarship to help us financially be able to support my dreams of becoming a nurse and helping others the way they've helped me!
