## Academic & Extracurricular Highlights:

- HOSA- Future Health Professionals: President
- National Technical Honor Society
- National Honor Society
- Varsity Softball: Captain
- Girl Scouts: Ambassador
- Summer Work: Insta Cart Driver & Softball Hitting Coach

I'm incredibly honored and thankful to have been selected as a recipient of the Maritime Patrol Association Scholarship. I am grateful for the donors, volunteers, board of directors, and staff who work to make the foundation possible. I greatly appreciate my father first off for notifying me about this scholarship, but more so for dutifully serving as a pilot in the Navy for twenty years and the many opportunities that have stemmed from it. Moving from one duty station to the next has allowed me to possess a more worldly perspective on life and meet diverse people. My father's service to our country has also taught me the value of hard work and helping others. I look forward to doing the same in the future due to this scholarship's financial support. It will aid me in my pursuit of higher education at my top choice, Amherst College. I will be attending in the fall and plan on majoring in biology on a pre-medical track. The road to becoming a practicing doctor is an expensive one, but because of this scholarship, my dream of working in healthcare is more monetarily feasible. I will face less debt as a whole and be able to worry more about my studies instead of how to finance them. Thank you, Maritime Patrol Association!
